## Policies

**Reservations:** We highly recommend making reservations in advance, however, feel free to call on short notice, as we may have an opening or cancellation. A credit card will be necessary to hold your reservation, however at the time of your appointment you may use other forms of payment if you prefer.

**Arrival:** Please arrive a minimum of 15 minutes prior to scheduled appointment time to allow for changing and new client registration. This will also give you time to enjoy the sauna, steam or start your unwinding in the relaxation lounge with a cup of tea or lemon water.

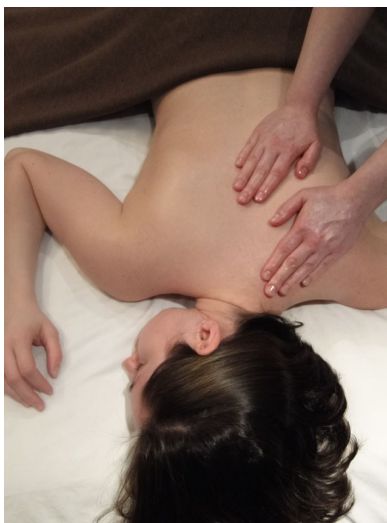

**Cancellation Policy:** We realize that changes in your schedule can occur. So that we may accommodate other guests we ask for a 24-hour notice of cancellation. We regret that cancellations within less than 4 hours of the appointment will be charged 50% of the services, and failure to show will result in full charges. Please feel free to leave a message on our voicemail during off hours. \* Spa parties may have a specific cancellation policy and will be detailed in the spa party contract.

**Late Arrivals:** We encourage clients to notify us if they are running behind. We will do our best to accommodate your entire service; however some late arrivals may only receive remaining service time due to other previously scheduled clients.

**Pricing:** All prices and services are subject to change without notice. Feel free to verify any pricing by calling the spa prior to your appointment.

**Gratuities:** Not included in the price of services, gratuities may be given at your own discretion in the form of cash or check, but we regret that we are unable to add them to your credit card payment.
